

My Work Order Filters

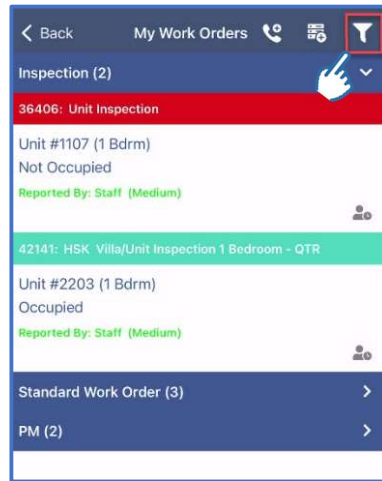

1. Tap My Work Orders from the Home Screen.

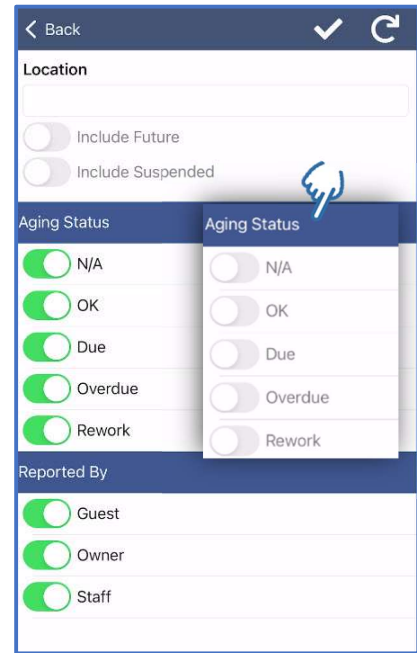

Or from the Hamburger Menu.

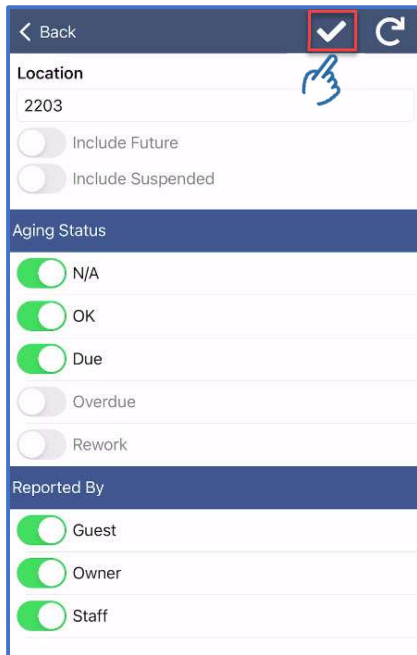

2. Tap the Funnel to open Filter screen

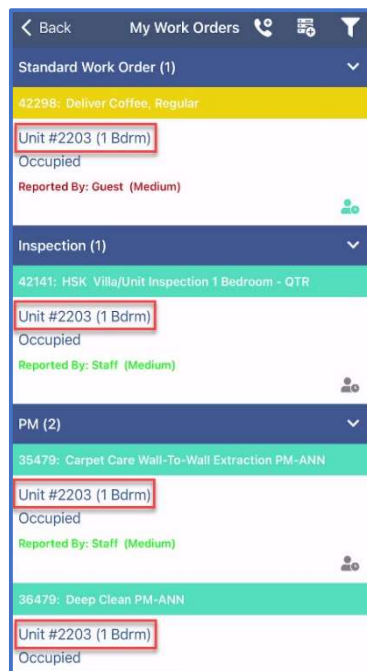

3. Chose any or all of the filters to narrow the results. Tap banner heading to select/unselect all.

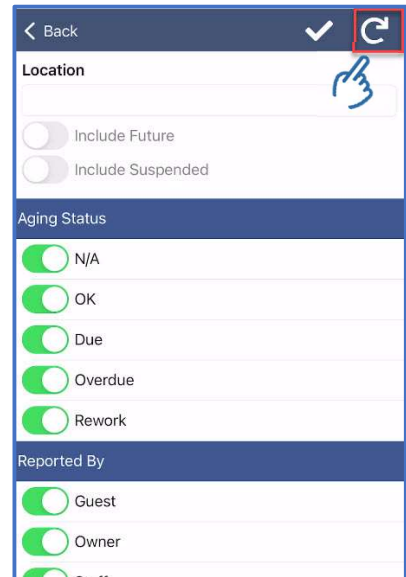

4. Tap Checkmark to apply filters.

5. Shows work for specific location.

6. To clear filters tap Reset icon.

Note: Filters will automatically clear when you leave the My Work Orders Screen.
