

Managing My Standard Work Orders for iPhone

1. Tap **My Work Orders** to view all Work Orders assigned to you.

Red circle indicates the number of Work Orders assigned to you.

2. Blue Banners divide **Supertypes**, **Standard**, **Inspections**, and **PMs**:

3. Work orders prioritized by **Aging Status and Priority**

← Black = Rework

← Red = Overdue

← Yellow = Due

← Green = OK

Priority:
Critical/High/Medium/Low

4. Work Order Quick View

- Work Order ID/Task
- Location
- Occupied Status

Best Practices:

- **Guest** reported Work Orders take priority over **Staff** reported.
- **Overdue** Work Orders take priority over **Due** or **OK**

5. Tap Work Order to View
